** The total amount awarded or invested by the fund each year excluding administration costs

Additional information on the fund's current situation: (optional)

We are currently owned by four of the ten municipalities on the island of Funen. We are strategically working on expanding our ownership to cover the whole island and thus increase our investment budget by another €2 mio.

Concurrently, we hope to supplement with support from regional authorities for skills development etc.

Also, we are working on changing national policies to gain national industrial rather than cultural support funds.
